一、欢迎辞

亲爱的留学生同学们：

首先，我谨代表中国农业科学院研究生院欢迎你们来到北京，欢迎你们加入中国农业科学院研究生院这个大家庭！

中国农业科学院是中国首批博士学位与硕士学位授予单位，1979年成立研究生院，2007年获得中国政府奖学金院校资格。研究生院依托中国农业科学院的科技教育资源，坚持“立足科研、质量为本、科教兴农”的办学理念，发挥“院所结合、两段式培养”的特色优势，积极服务农业科技创新和教育国际化发展需求，培养了一大批高层次农业专门人才。近年来，研究生院紧密围绕中国农业科学院建设世界一流科研院所和一流学科的目标，积极服务“顶天立地”的发展战略，坚持扩大规模与提高质量并举，深入推进研究生教育综合改革，不断扩大招生规模，持续提高培养质量，加快发展国际教育，实现了研究生教育的跨越发展。

留学生教育是中国农业科学院研究生教育的重要组成部分和国际化水平的显著标志。经过多年的发展，研究生院建立了来华留学生教育管理和质量保证体系，实现了留学生规模的快速发展和培养质量的持续提高。目前在校留学生530余人，其中90%为博士研究生，生源来自57个国家。打造以农业和生命科学为优势，以研究生学历教育为主体、以博士留学生教育为特色的“留学农科”品牌。

留学生是校园的一道靓丽风景线。来自世界各地的留学生们带来了不同的文化和民族风俗，丰富了我院的校园文化，增添了校园的国际化色彩。在此，我给大家提出三点希望：一是希望大家认真学习中国语言文化，遵守中国法律法规和研究生院的规章制度，尽快适应新的学习和生活环境；二是希望大家珍惜在研究生院的时光，刻苦学习，团结协作，勇于创新，努力在学业上取得丰硕成果；三是希望大家做到兼容并蓄，相互尊重、相互学习、相互帮助，促进中国与世界各国的友谊与交流。

留学中国是你们人生中的重要经历，也必将成为你们人生的宝贵财富。研究生院将以最大的热忱帮助你们适应新的环境，全力支持你们的学习和科研工作。

最后，祝愿同学们在中国农业科学院愉快学习，健康生活，实现你们的留学梦想！

中国农业科学院研究生院党委书记 方军 研究员

WELCOME SPEECH FROM GSCAAS

Dear international students,

First of all, I would like, on behalf of Graduate School of Chinese Academy of Agricultural Sciences (GSCAAS), to welcome you all to join the GSCAAS in Beijing.

Founded in 1979, GSCAAS is one of the earliest institutions approved by the Academic Degrees Committee of State Council to confer Master's and Doctoral Degrees. It received the qualification of Chinese Government Scholarship (CGS) Granting Institution in the year of 2007. Based on CAAS high level research advantage and education resources, the school adheres to the schooling philosophy of *'research-based, quality-oriented, agriculture revitalization must be realized through science and education'* and insists to the school's characteristics of *'academy-institute combination, two-phase training'*. GSCAAS actively serves the demands of agricultural science & technology, innovation and the international education, and has cultivated a huge number of high-level agricultural talents. In recent years, the school centers around the CAAS *'world-class scientific research institutes and disciplines'* ambition, serve the developmental strategy of *'reaching the heavens while keeping the feet on the ground'*. The school insists on expanding the scale and improving quality simultaneously, boosting in-depth comprehensive reform of graduate education, improving the quality of training and accelerating the development of international education, and has realized the leap forward development of graduate education.

International education is an important pole of graduate education and a remarkable symbol of the internationalization for GSCAAS. After years of development, the school has established a well-reputed educational management and quality assurance system for international students, and realized robust development of the student scale and the continuous improvement of training quality. At present, there are more than 530 international students enrolled from 57 different countries, 90% of whom are Ph.D. students. We have built a brand of "Study in CAAS" with the advantages of agriculture and life sciences, postgraduate degree education as the main body and doctoral education as the characteristics.

International student is one of the brilliant highlights on campus. Students from all over the world have brought different cultures and national customs, enriching our campus culture and highlighting its internationalization. Here, I have three suggestions for you:

First, I hope you learn Chinese language and culture, abide by the Chinese laws and school's regulations, and adapt to the new environment as soon as possible.

Second, I hope that you cherish your time here, study hard in spirit of team work, strive for innovation, and achieve fruitful results in the future.

Third, I hope that all of you to be open-minded and inclusive, respect, help and learn from each other, promote friendship and exchanges between China and your home country.

Studying in China will surely become a remarkable experience and a valuable asset in your life! The graduate school will help you adapt to the new environment with the utmost enthusiasm and fully support both your study and research work.

Finally, I would like to take this opportunity to express my best wishes to all students to enjoy your study in CAAS, to live a well-balanced life, to embrace a wonderful future with your dreams.

Sincerely,

Professor Fang Jun
Party Secretary of Chinese Communist Party
GSCAAS

二、中国农业科学院研究生院简介

中国农业科学院 1979 年成立研究生院，1981 年经国务院批准成为我国首批博士学位与硕士学位授予单位，2007 年经教育部批准成为中国政府奖学金来华留学生院校，是中国农业领域的一流研究生院。

中国农业科学院依托分布在全国 18 个省（市、自治区）的 44 个研究所，坚持“立足科研，质量为本，科教兴农”的办学理念，发挥“院所结合，两段式培养”的特色优势，经过 40 年的探索和发展，现已形成包括全日制硕士、全日制博士、非全日制硕士、博士后、来华留学生、中外合作办学、港澳台研究生和继续教育在内的多层次多类型人才培养体系。目前，在读研究生总数 5700 余人，其中普通全日制在读研究生 4600 余人。截止到 2018 年 7 月，累计授予博士学位和硕士学位 115317 人，为我国农业发展和经济建设做出了重要贡献。

中国农业科学院是国家级综合性农业科研机构，担负着全国农业重大基础与应用基础、应用研究和高新技术研究的任务。全院建有 2 个国家重大科学工程，6 个国家重点实验室，32 个农业部重点实验室；16 个国家农作物、畜禽改良中心（分中心）；1 座国家级农作物种质资源长期库、10 座中期库、12 座种质圃；5 个国家工程技术研究中心；5 个国家级野外科学观测试验站，35 个部级质检中心，3 个国家参考实验室，4 个获 OIE 认可的参考实验室；1 座馆藏文献 210 余万册、33 万种的国家农业图书馆。优良的科研设施设备、大量的前沿课题项目、充足的科研经费、丰富的图书文献资源，一流的导师队伍及广泛的国际合作交流，为中国农业科学院研究生教育提供了强大的科技支撑和教育资源。

中国农业科学院现有学科涉及理学、工学、农学、管理学 4 大门类，涵盖 17 个一级学科，其中有生物学、生态学、农业工程、作物学、园艺学、农业资源与环境、植物保护、畜牧学、兽医学、草学和农林经济管理 11 个博士学位授权一级学科点，51 个博士学位授权二级学科点；16 个硕士学位授权一级学科点，61 个硕士学位授权二级学科点；另有 5 个专业学位授权点。中国农业科学院现有两院院士 13 人，研究生导师 2167 人，其中博士生导师 727 人。现有任课教师 530 余人，由我院导师和周边高校及科研机构知名教授专家组成。

研究生院积极服务国家“一带一路”和农业“走出去”战略需求，大力发展留学生教育。实行“全年接受申请，分春秋季入学”的招生方式。研究生院向留学生提供中国政府奖学金、北京市外国留学生奖学金、中国农业科学院研究生院奖学金和发展中国家妇女科学组织奖学金等各类奖学金。博士和硕士项目的学习期限通常为 3 年。授课语言大多

是英语或中英双语教学。经过多年的发展，研究生院建立了来华留学生教育管理和质量保证体系，留学生教育已成为中国农业科学院研究生教育的重要组成部分和研究生教育国际化水平的显著标志。目前研究生院在校留学生530余人，其中博士生480余人，生源来自亚洲、非洲、欧洲、美洲、大洋洲的57个国家，涵盖41个学科专业，涉及31个研究所。累计毕业留学生343人，其中博士生285人，硕士58人。经教育部批准，研究生院与比利时列日大学和荷兰瓦赫宁根大学合作举办博士教育项目，并与美国、加拿大、德国、爱尔兰、澳大利亚、泰国、巴基斯坦、孟加拉国、埃及等国家的20多所的大学和科研机构建立了合作关系，国际合作与交流水平不断提升。

中国农业科学院研究生院 1999 年被教育部和国务院学位委员会授予“全国学位与研究生教育管理先进集体”称号，2008 年获“北京地区学位与研究生教育管理先进集体”。2002 年以来，研究生院以农学门类第一名连续荣膺“中国一流研究生院”，在全国研究生院综合竞争力排名中进入前三十强。

中国农业科学院研究生院将秉承“明德格物，博学笃行”院训，追求“高层次、研究型、国际化、有特色”的办学目标，努力把研究生院建设成为国内一流、国际知名的培养和造就高层次农业科技人才的知名院校。

BRIEF INTRODUCTION OF GSCAAS

The Graduate School of CAAS (GSCAAS) was founded in 1979. It is one of the earliest institutions approved by the Academic Degrees Committee of State Council to confer Master's and Doctoral degrees. In 2007, GSCAAS received the qualification of Chinese Government Scholarship (CGS) Granting Institution from Ministry of Education of China. It is one of China's leading graduate schools with its overall competitiveness in agriculture.

Based on 44 institutes which distributed in 18 provinces, municipalities and autonomous regions, GSCAAS adheres to the schooling philosophy of '*research-based, quality-oriented, agriculture revitalization must be realized through science and education*' and insists to the school's characteristics of '*academy-institute combination, two-phase training*'. After 40 years of exploration and development, it has established a successive multi-layer and multi-type education system that covers master's and doctoral degrees, post-doctorate, international students, professional postgraduates and continuing education. At present, total number of postgraduates is more than 5,700, including more than 4,600 full-time postgraduates. GSCAAS has cumulatively awarded more than 15137 doctoral degrees and master's degrees, which has made great contributions to Chinese agricultural development and economic construction.

Chinese Academy of Agricultural Sciences is a national comprehensive agricultural research institution with responsibility for the country's major agricultural basic and application basic, applied research and high-tech research tasks. There are 2 major national facilities, 6 state key laboratories, 32 key laboratories of the Ministry of Agriculture and Rural Affairs(MARA); 16 national centers (sub-centers) for plant, and animal improvement; one long term national gene bank of crop germplasm resources; 10 medium-term national gene banks; 12 national medium-term germplasm nurseries; 5 national engineering research centers of Ministry of Science and Technology; 5 national observation and experiment field station; 35 agro-products quality and safety risk assessment laboratories of MARA; 3 national reference laboratories; 4 OIE reference laboratories; One national agricultural library possesses more than 2.1 million volumes and 330, 000 types of books. Excellent scientific research facilities and equipment, huge number of cutting-edge projects, adequate research funding, rich library and literature resources, first-class scientists & supervisors, extensive international cooperation and exchanges provide graduate education of CAAS a sound scientific and technological support and educational resources.

The programs in GSCAAS are related to four major academic categories of natural sciences, engineering, agriculture and management sciences, including 11 Ph.D. primary disciplines (biology, ecology, agricultural engineering, crop science, horticulture, natural resource management, plant protection, animal science, veterinary medicine, grassland science and economics, and management of agriculture and forestry) and 16 Master's degrees primary disciplines. The GSCAAS currently holds 51 Ph.D. programs, 61 Master programs, and 5 professional Master's degrees in agriculture and veterinary medicine. At present, the school boasts 13 academicians of the Chinese Academy of Sciences and Chinese Academy of

Engineering, 2167 supervisors including 727 supervisors for Doctoral Programs. Moreover, our faculty has 530 instructors from our institutes, surrounding well-known universities and research institutions.

The graduate school actively serves *'the Belt and Road Initiative'* and the agricultural *'going global'* strategy, to vigorously develop international education. The graduate school is open to applications from international students throughout the year and the enrollment commence in spring and autumn. It offers international students the Chinese Government Scholarship, Beijing Government Scholarship, the GSCAAS Scholarship and GSCAAS-Organization for Women in Science for the Developing World (OWSD) Fellowship, etc. The study of doctorate and master's programs generally lasts three years, and the medium of instruction is mostly English or Chinese and English bilingually.

After years of development, the Graduate School has established a well-reputed educational management and quality assurance system for international students. It has become an important pole of the CAAS postgraduate education and a remarkable symbol of its internationalization. Currently, more than 530 international students, including 480 Ph.D. students, are studying at GSCAAS, involving 41 programs and 31 institutes of CAAS. They come from 57 countries in Asia, Africa, Europe, America and Oceania. The GSCAAS had conferred degrees on 343 graduates in total, including 285 doctoral students, 58 Master students. Approved by the Ministry of Education, GSCAAS has carried out joint Ph.D. programs with the University of Liège in Belgium and Wageningen University in the Netherlands, and established cooperative relationships with more than 20 universities and scientific research institutions in the United States, Canada, Germany, Ireland, Australia, Thailand, Pakistan, Bangladesh, Egypt and the other countries. The level of GSCAAS international cooperation and exchanges has been continuously improved.

In the year of 1999, GSCAAS was honored with the title of National Outstanding Organization for Academic Degrees and Graduate Education Management awarded by the MOE and the Academic Degrees Committee of the State Council. It was also named as an Outstanding Organization for Academic Degrees and Graduate Education Management in Beijing in 2008. The school had been ranked as China's top graduate school in agriculture since 2002, as well as ranked in the top 30 graduate schools in China.

Embodying its motto of *'wisdom, virtue, erudition, and discretion'*, GSCAAS has developed into an exceptional, internationally renowned base for cultivating outstanding talents in agricultural fields, seeking after the mission of *'higher-level, research-oriented, internationalized and distinct-featured'* graduate education.

初级综合汉语	3.0 学分
Primary Comprehensive Chinese	3.0 credits
汉语会话	2.0 学分
Conversational Chinese	2.0 credits
中国概况	2.0 学分
China Survey	2.0 credits
农业科技进展专题	2.0 学分
Progress in Agricultural Science and Technology	2.0 credits

(3.2) 专业学位课/Professional Compulsory Courses

专业理论课	2.0 学分
Professional Course	2.0 credits
学科综合考试	2.0 学分
Comprehensive Examination	2.0 credits
专业 Seminar	2.0 学分
Professional Seminar	2.0 credits
经典文献阅读	1.0 学分
Classic Literature Survey	1.0 credit

(3.3) 选修课/Optional courses

由博士留学生和导师商定具体选修课，累计选修课学分不低于 4 学分。

The student is required to complete minimum 4 credits of optional courses in consultation with his/her supervisor.

(4) 课程教学组织/Course teaching and administration

研究生院负责博士留学生第一学期集中教学安排，包括公共学位课、公共选修课和部分专业课的教学组织工作。研究所负责留学生回所后的专业学位课和专业选修课的教学工作，可由研究所统一组织开设或由导师开设。课程结束后研究所将回所课程

考试试卷、成绩及相关材料于第二学年第四学期中期考核以前寄送至研究生院国际教育学院。博士留学生回所课程的具体要求如下：

The GSCAAS is in charge of the curriculum including all public courses and some professional courses in the first semester. The research institute is responsible for teaching of professional courses which are prescribed to organize by the institute or supervisors. Upon completion of courses, the authorized office of institute should send all examination papers, answer sheets, score reports and relevant documents to the College of International Education of GSCAAS prior to mid-term assessment. The required courses prescribed for PhD students at the institute are as follows:

(4.1) 博士生专业课：2.0 学分/ Professional Course: 2.0 credits

导师根据学生知识结构和论文研究需求确定课程名称、授课内容、授课方式及考试办法，并组织完成教学工作。课后将完成的《留学生课程登记表》及考核材料寄送至研究生院国际教育学院。

On the basis of student's knowledge structure and thesis research need, the supervisor shall design a professional course including course name, contents, teaching methodology and examination requirement, and commence the teaching work for relevant students. (4.4) 经典文献阅读: 1.0 学分/ Classic Literature Survey: 1.0 credit

博士留学生完成导师指定的专业文献修读, 以英文文献为主, 由导师和指导小组确定考核方式和内容, 课后将完成的《留学生课程登记表》及考核材料寄送至研究生院国际教育学院。

The supervisor and advisory committee shall assign a set of classic professional literature mainly in English and decide the method and content of examination. The student is required to complete reading of assigned literature and take the examination accordingly. Upon completion of the course, International Student Course Registration Form should be submitted to the College of International Education of GSCAAS for score recording.

2.制定论文研究计划/Thesis Research Plan

博士留学生在导师和指导小组的指导下, 根据博士留学生培养规定制订论文研究计划, 在第二学期的第一个月内提交《论文研究计划表》, 经导师和研究所依次审核后提交研究生院国际教育学院审核。

In accordance with training program and under the guidance of supervisor and advisory committee, The student should formulate thesis research plan with approval of his/her supervisor and host institute, and submit completed Thesis Research Plan Form within the first month of the second semester to the College of International Education of GSCAAS for review and approval.

3.开题报告/Thesis opening report

博士留学生根据个人论文研究计划, 广泛查阅文献, 开展选题调研工作, 在导师和指导小组的指导下确定论文选题, 在第二学期 6 月 15 日前 (秋季入学学生) 或第二学期 12 月 15 日前 (春季入学学生) 完成文献综述报告和论文开题报告。

The student shall navigate and review a wide range of literature for research orientation and determine his/her research topic under the guidance of supervisor and advisory committee. The literature review paper and opening report of thesis proposal are required to be accomplished before 15 June of the second semester for autumn enrolled students or before 15 December of the second semester for spring enrolled students.

开题报告评审小组由 5-7 位具有副研究员及以上职称（或相当职称）的专家组成，组长由本学科学术带头人或知名专家担任，导师可任小组成员。开题报告会由研究所负责组织、公开举行。文献综述报告由导师评阅通过后计 1 学分，开题报告经评审小组考评通过后计 1 学分。

The examination committee of thesis opening report shall consist of five to seven experts (including the student's supervisor) with rank of associate professor or above, and one leading scientists or famous expert may chair the committee. The meeting of opening report shall be held in public in the institute. The literature review paper is offered one credit with due approval of supervisor and opening report one credit after passing evaluation of the examination committee.

开题报告没有通过的研究生，须于 2 个月内重新进行开题。第二通次开题仍未通过者必须向研究生院提出延迟毕业的申请，并于 2 个月内进行第三次开题。凡第三次开题未通过或不按时重新开题者按规定终止培养，做退学处理。开题报告具体工作参照《中国农业科学院研究生院研究生开题报告暂行规定》执行。研究所在开题报告结束后将《研究生开题报告表》提交研究生院国际教育学院审核。

The student who failed in the opening report is required to retake within two months. If the student failed in the second time, he/she shall submit application for deferred graduation and take the third opening report within two months. If the student failed in the third time or refused to retake in assigned time, he/she will be subject to dropping-out accordingly. The opening report shall be implemented in reference to Provisional Regulations on Thesis Opening Report of Graduate Student of GSCAAS as applicable to both Chinese and international students. The authorized office of institute should submit the completed Thesis Opening Report Form to the College of International Education of GSCAAS for further evaluation and recording.

4. 中期考核/Mid-term assessment

中期考核是对研究生入学以来的思想道德、课程学习、科研记录和论文进展等情况的全面考核。中期考核小组由 5-7 位具有副研究员及以上职称（或相当职称）的专家组成，其中院外专家不少于 1 人，考核小组组长由本学科知名专家担任。导师应参加中期考核会，但不作为小组成员。中期考核由研究所统一组织，公开举行，一般要求在第四学期 6 月 15 日（秋季入学学生）或第四学期 12 月 15 日（春季入学学生）前完成，经中期考核小组考核通过后计 1 学分。中期考核具体工作参照《中国农业科学院研究生院研究生中期考核暂行规定》执行。

The mid-term assessment is a comprehensive evaluation on the student's moral and behavior performance, course work, original thesis research record and thesis work progress. The examination committee of mid-term assessment shall consist of five to seven members (at least one external member outside CAAS) with rank of associate professor or above, and one famous leading scientist may chair the committee. The student's supervisor should attend his/her student's mid-term assessment but is not included in the examination

committee. The assessment shall be held in public in the institute, and be completed before 15 June of the fourth semester for autumn enrolled students or before 15 December of the fourth semester for spring enrolled students. One credit will be awarded after passing evaluation of examination committee. The mid-term assessment should be implemented in accordance with the Provisional Regulations on the Graduate Student Mid-term Assessment of GSCAAS as applicable to both Chinese and international students.

未按时完成中期考核的研究生，其论文答辩申请将推迟半年受理，并取消其评优资格。研究生科研记录检查不合格者，中期考核不予通过。中期考核不合格的博士留学生，须在三个月后再次进行考核，如第二次中期考核仍不合格或不按时参加考核，按规定终止培养，做退学处理。

The student who fails to accomplish his/her mid-term assessment in the prescribed time will be delayed graduation for 6 months and disqualified for applying any awards in subsequent academic year. The student who has not passed the inspection on original thesis research record will be given a “failure” in mid-term assessment. The student who failed in the assessment is required to retake after three months. If the student failed in the second time or refused to retake the assessment, he/she will be subject to dropping-out in accordance with relevant regulation.

研究所在中期考核结束后将《研究生中期考核表》提交研究生院国际教育学院审核。

Upon successful completion of assessment, the authorized office of institute should submit completed International Student Mid-term Assessment Form to the College of International Education of GSCAAS for further evaluation and recording.

5. 学术活动/Academic Activity

博士留学生应累计参加学术活动 15 次以上（含 15 次，其中回所参加学术活动不少于 10 次），至少参加 2 次国际或国内学术会议。研究生参加学术活动后 10 天内填写《留学生学术活动登记表》并提交导师审查。研究所在第五学期 6 月 15 日（春季入学学生）或第五学期 12 月 15 日（秋季入学学生）前完成《留学生学术活动汇总表》审核，审核通过后计 2 学分。学术活动具体工作参照《中国农业科学院研究生院研究生学术活动管理办法》执行。

The student shall attend academic activities at least 15 times (at least 10 times academic activities in host institute) and at least two domestic or international meetings. will be offered two credits. The academic activity shall be implemented in reference to the Provisional Regulations on Academic Activity of Graduate Student of GSCAAS as applicable to both Chinese and international students.

6. 语言能力/Language Proficiency Requirement

以中文为专业教学语言的博士研究生，毕业时中文能力应当达到《国际汉语能力标准》五级水平。以外语为专业教学语言的博士研究生，毕业时中文能力应当至少达到《国际汉语能力标准》三级水平。

For the PhD students whose instruction language are Chinese, they should reach HSK Level 5 before applying for the graduation; for the PhD students whose instruction language are English, they should at least reach HSK Level 3 before applying for the graduation.

7. 发表论文/Paper Publication

博士留学生在申请学位论文答辩前须以第一作者、第一单位发表至少一篇与学位论文内容有关的 SCI /EI/ SSCI 源刊物的学术论文。因特殊情况不能按时发表论者，须提出申请并由导师出具书面说明，经研究所和研究生院管理部门批准后视同达到发表论的要求。发表论需注明获资助的奖学金类型。各培养单位可结合实际情况制定不低于本办法的论发表要求。

The student is required to publish at least one paper on SCI/EI/SSCI journal list pertaining to his/her thesis work before applying for thesis defense. The student and host institute shall be indicated as the first author and the first affiliation respectively. In special cases, the student who could not publish required paper on time shall provide a written application and the supervisor's explanation letter. After getting permission from the host institute and GSCAAS, it could be considered to meet the requirement of publication. The student shall indicate his/her scholarship type in the publication. The host institutes are encouraged to formulate its publication requirements which should not be less than the criterion of GSCAAS.

(五) 学位论文/Degree Thesis

博士学位论是博士留学生学术水平的重要标志，应表明作者具有独立从事科学研究工作的能力，在科学或专门技术上取得创造性成果，并反映作者在本学科上掌握了坚实宽广的基础理论和系统深入的专门知识。

The PhD thesis is an important indicator of student's academic excellence. It should demonstrate the candidate's ability to conduct independent research and his/her original results in academics and/or technology innovation, and indicate that the candidate has firmly grasped the breadth of basic theories and systematic in-depth knowledge in his/her study discipline.

1. 博士学位论文应是系统的完整的学术论文，应对科技进步与社会经济发展具有较大的理论意义或应用价值。

The PhD thesis shall be a systemic and complete academic paper which possesses significant value in theory or application for science & technology advancement and socio-economic development.

2. 学位论文的主要工作必须由作者独立完成。论文内容应以博士留学生本人完成的第一手试验、观测或调查的材料为主。

The main work of thesis shall be independently accomplished by the candidate on basis of his/her first-hand materials from experimentation, observation or investigation.

3. 博士留学生应分阶段向导师和指导小组汇报学位论文进展情况，根据意见改进论文研究工作，在导师和指导小组的指导下完成学位论文的撰写工作。

The student shall report thesis work periodically to his/her supervisor and advisory committee and improve his research based on their advice and comments, and complete the thesis writing under their guidance.

4. 博士留学生应完成有 2 年以上的科研工作量，其中在中国课程学习和论文研究的时间不少于 1 年半。

The student shall have at least two years' workload for thesis research and study at least one and half year in China.

5. 博士学位论文可以使用中文或英文撰写，应有中英文题目和论文摘要，注明留学生获资助的奖学金类型，具体要求按照《中国农业科学院学位论文与摘要写作规范》撰写，并按统一格式装订。

The PhD thesis shall be written either in Chinese or English with abstracts both in Chinese and English. The student should indicate his/her scholarship type in thesis. The format of thesis shall refer to the Guidance on Degree Thesis Writing in Chinese Academy of Agricultural Sciences and be prepared in prescribed format applicable to Chinese postgraduates.

(六) 毕业与学位授予/Graduation and Degree Conferral

1. 博士留学生完成培养方案规定的培养环节和学位论文工作，并通过资格审查后，可申请进行学位论文答辩。学位授予工作参照《中国农业科学院学位授予工作实施细则》执行。

The student, who has accomplished the required training procedures, thesis work and passed the graduation evaluation, is qualified for application of degree thesis defense. The defense and degree conferral shall be implemented in accordance with the Implementation Regulations on Academic Degree Conferrals of Chinese Academy of Agricultural Sciences.

2. 博士学位论文应聘请 3 名具有博士研究生指导教师资格或正高级职称的同行专

家评阅，其中院外专家至少 2 人，在论文评阅通过后方可组织学位论文答辩。博士学位论文答辩委员会至少由 7 人组成，其中院外专家不少于 3 人，由研究员或相当职称的专家担任。春季毕业生和夏季毕业生分别要求在上年 11 月 30 日前和当年 5 月 30 日前完成答辩工作。

The PhD thesis should be sent to three examiners (at least two external examiners outside CAAS), who should be PhD supervisors and/or full professors. The defense can only be held after passing the qualification evaluation. The thesis defense committee consists of at least 7 full professors (at least three external members outside CAAS). The defense should be completed before 30 November of previous year for spring enrolled students or before 30 May of the current year for autumn enrolled students.

3. 答辩未通过者，按结业处理。通过答辩后准予毕业，颁发毕业证书。经院学位评定委员会审核通过后，授予博士学位，颁发学位证书。

The student, who failed to pass the defense, would be issued a Certificate of Completion with approval of GSCAAS. Those who have successfully defended their theses would be issued a Certificate of Graduation. After approval of Academic Degree Evaluation Committee of CAAS, the candidate would be awarded a PhD Certificate.

八、硕士留学生培养工作暂行规定

PROVISIONAL REGULATIONS ON TRAINING OF INTERNATIONAL MASTER STUDENTS

(一) 培养目标/Training Objective

坚持质量，突出特色，培养国际化高级农业专门人才。具体要求硕士留学生做到：

The objective of international master's degree program shall focus on quality and characteristics for educating advanced and internationally talented professionals in agricultural fields. It is designed to train students to meet the following requirements:

3.身心健康。

To be in good health both physically and mentally.

(二) 学习年限/Duration of Study

硕士研究生基本学制为 3 年。由研究生本人申请，导师和研究所同意并经研究生院批准，提前完成研究生培养要求并通过学位论文答辩者，可提前 1 年毕业。特殊情况下经批准最长可延期 1 年毕业，累计在学年限不超过 4 年（含休学）。达到最长在校学习年限者须办理离校手续，不再保留学籍。

The basic duration of study is 3 years. The student, who has completed the program

requirements in advance and passed the thesis defense, would be approved for early graduation up to one year, with unanimous approval of supervisor, research institute and graduate school of Chinese academy of agricultural sciences (GSCAAS). In special case, it could be extended for up to one year after approval of relevant authorities. The maximum study duration is 4 years (including suspension). The student should go through the leaving procedures without keeping the studentship when he/she reaches the maximum duration of study.

(三) 培养方式/Training Mode

1. 硕士留学生采用全日制培养，可使用中文和英语两种培养语言。

The master student shall study in full-time and the medium of instruction is Chinese and English.

2. 硕士留学生培养实行导师负责制，充分发挥研究生指导小组的作用。指导小组以导师为组长，成员由 3-5 名本学科和相关学科的专家组成。

The training of master student shall adopt supervisor responsibility system in conjunction with additional guidance of advisory committee. The supervisor shall chair the committee which consists of three to five senior scientists from the student's research field and relevant disciplines.

3. 导师和指导小组承担教书育人的主体责任，根据硕士留学生培养目标和个性发展需求创新培养方式，指导和督促学生完成课程学习和论文研究工作，组织学术交流、社会实践和中国文化体验活动，培养硕士留学生的中国文化素养、优良学风以及从事科学技术研究工作的能力，提高硕士留学生的培养质量。

The supervisor and advisory committee shall bear main responsibility for master student's training and supervision. In accordance with training objective and also considering student's individual need, the supervisor and committee shall guide and supervise student's course and research work, to organize academic exchange, social practice and cultural experience, and to enable the student with favorable Chinese culture attainments, good academic integrity and ethics, and ability to undertake independent academic research and innovation, and finally ensure quality training of international master student.

(四) 培养环节/Training Procedures

1. 课程学习/Coursework

(1) 制订课程学习计划/Course study plan

由导师和指导小组根据本学科培养方案指导硕士留学生制订课程学习计划，研究生在入学后 2 周内按要求完成《留学生课程学习计划表》，由导师审查后提交研究生院国际教育学院审核。

In accordance with training program and under the guidance of supervisor and advisory

committee, the student shall formulate a personal course study plan with his/her supervisor's approval and submit the completed International Student Course study plan within two weeks after registration of first semester to College of International Education of GSCAAS for course registration.

(2) 课程学分要求/Course credits requirement

硕士留学生课程学习实行学分制，课程总学分不少于 28 学分，要求中期考核前完成课程学习。课程成绩采用百分制，成绩 60 分及格，成绩合格方可获得学分。

The course work of master student is subjected to academic credit system. The student is required to complete minimum 28 credits prior to mid-term assessment. Passing marks (at least 60 in hundred-mark system) are mandatory for earning credits.

(3) 课程设置/ Curriculum

(3.1) 公共学位课/Public Compulsory Courses

初级综合汉语	3.0 学分
Primary Comprehensive Chinese	3.0 credits
汉语会话	2.0 学分
Conversational Chinese	2.0 credits
中国概况	2.0 学分
China Survey	2.0 credits
中国文化	1.0 学分
China Culture	1.0 credit
学术写作	2.0 学分
Academic Writing	2.0 credits

(3.2) 专业学位课/Professional Compulsory Courses

基础理论课 (2-3 门)	5-7 学分
Basic theory courses (2-3 courses)	5-7 credits
专业课(1-2 门)	3-5 学分
Professional courses (1-2 courses)	3-5 credits
专业 Seminar	1.0 学分
Professional seminar	1.0 credit
专业汉语	1.0 学分
Professional Chinese	1.0 credit

说明：专业学位课参照全日制学术型硕士研究生培养方案的课程要求，一般为 10-12 学分。

Note: The requirement of professional compulsory courses shall be implemented in reference to the respective training program for Chinese Master students. It generally includes 10-12 credits.

(3.3) 选修课/Optional Courses

由硕士留学生和导师商定具体选修课，选修课学分一般为 6-8 学分。

The student is required to complete optional courses of 6-8 credits in consultation

with his/her supervisor.

(4) 课程教学组织/Course teaching and administration

研究生院负责硕士留学生第一学期集中教学安排，包括公共学位课、公共选修课和部分专业课的教学组织工作。研究所负责留学生回所后的部分专业学位课和专业选修课的教学工作，由研究所统一组织开设或由导师开设。回所课程包括基础理论课、专业课、专业 seminar 和专业汉语课。课程结束后研究所将回所课程考试试卷、成绩、《留学生课程登记表》及相关材料于第二学年第四学期中期考核以前寄送至研究生院国际教育学院。

The Graduate School of CAAS is in charge of curriculum including all the public courses and some professional courses in first semester. The research institute is responsible for teaching of professional courses which are prescribed to organize by the institute or supervisors. The courses include basic theory courses, professional courses, seminar and professional Chinese. Upon successful completion of courses, the authorized office of institute should send all examination papers, answer sheets, score reports and International Student Course Registration Form to the College of International Education of GSCAAS prior to mid-term assessment.

2. 制定论文研究计划/Thesis research plan

硕士留学生在导师和指导小组的指导下，根据硕士留学生培养规定制订论文研究计划，在第二学期的第一个月内提交《论文研究计划表》，经导师和研究所依次审核后提交研究生院国际教育学院审核。

In accordance with training program and under the guidance of supervisor and advisory committee, the student should formulate thesis research plan with approval of his/her supervisor and host institute, and submit completed Thesis Research Plan Form within the first month of second semester to College of International Education of GSCAAS for review and approval.

3. 开题报告/Thesis Opening report

硕士留学生根据个人论文研究计划，广泛查阅文献，开展选题调研工作，在导师和指导小组的指导下确定论文选题，在第二学期 6 月 15 日前（秋季入学学生）或第二学期 12 月 15 日前（春季入学学生）完成文献综述报告和论文开题报告。

The student shall navigate and review a wide range of literature for research orientation and determine his/her research topic under the guidance of supervisor and advisory committee. The literature review paper and opening report of thesis proposal are required to be accomplished before 15 June of second semester for autumn enrolled students or before 15 December of second semester for spring enrolled students.

开题报告评审小组由 5-7 位具有副研究员及以上职称（或相当职称）的专家组成，组长由本学科学术带头人或知名专家担任，导师可任小组成员。开题报告会由研究所

负责组织、公开举行。文献综述报告由导师评阅通过后计 1 学分，开题报告经评审小组考评通过后计 1 学分。

The examination committee of thesis opening report shall consist of five to seven experts (including The student's supervisor) with rank of associate professor or above, and one leading scientists or famous expert may chair the committee. The student, who failed to pass the thesis defense, would be issued a Certificate of Completion with approval of GSCAAS. Those who have successfully defended their theses would be issued a Certificate of Graduation. After approval of Academic Degree Evaluation Committee of CAAS, the candidate would be awarded a Master Certificate.

九、留学生课程管理暂行规定

PROVISIONAL REGULATIONS ON COURSES FOR INTERNATIONAL STUDENTS

(一)为加强留学生课程管理,提高教学培养质量,根据教育部有关规定及我院留学生培养方案,制定本规定。

In accordance with the requirements of the Ministry of Education and the academic training plans of international students in GSCAAS, the provisional regulations are formulated to strengthen the curriculum management and to increase the training quality of international education.

(二)课程设置/Curriculum Design

1. 课程设置应遵循教育部有关指导原则,体现中国农业科学院的学科发展需求,符合留学生教育的规律和特点,全面提高留学生综合素质。

Curriculum design should be in line with the regulations of the Ministry of Education, reflect the needs of CAAS discipline development, comply with the rule and characteristics of international education, and thus ensure the all-round development of international students.

2. 课程设置体现系统性、层次性、前沿性和创新性,适应各学科留学生课程学习的要求。

Curriculum design should be systematic, comprehensive, advanced, and innovative, and meet the needs of the international students under different academic programs.

3. 留学生课程分为学位课(必修课)和选修课两类,其中学位课程由公共学位课、专业学位课组成。

Curriculum consists of Compulsory and Optional Courses. Compulsory courses include Public Compulsory Courses and Professional Compulsory Courses

(三)学分学时/Credits and Class Hours

1. 留学生课程学习实行学分制。博士生课程总学分不低于 20 学分;硕士生课程总学分不低于 28 学分。

The coursework is subjected to academic credit system. The minimum load for Ph.D. student is 20 credits, and 28 credits for Master students.

2. 留学生课程学分一般按课堂讲授每 16-18 学时计 1 学分,讨论课每 20 学时计 1 学分,实验实习课每 36 学时计 1 学分。

One credit is generally equivalent to 16-18 class hours for classroom instruction, 20 class hours for seminar courses, and 36 class hours for experimental /practice courses.

(四)课程学习/Course Registration

1. 留学生应按照培养方案要求,在导师指导下根据知识结构和专业需要提出课程学习计划,并结合开课目录进行选课。留学生应合理安排选课,每学期选学的课程一般不超过 20 学分。留学生必须在中期考核前修完培养方案所规定的课程和学分。

International students should make Course Study Plan in light of their training programs and under the guidance of their Supervisor. They should rationally register for courses with no more than 20 credits each semester, and complete all the courses and credits as required by the academic training program prior to the mid-term assessment.

2. 留学生课程实行按学期网上选课。留学生必须在第一周内选定课程,开课两次后不允许改、退选。凡有可选择的学位课,应按培养方案规定的课程门数选定学位课。原则上学位课 5 人以上、选修课 10 人以上方可开课。

Courses are registered online in respective semester. The student should register for courses within the first week of each semester, and are not allowed to change registration or drop courses after the second class of the courses. In principle, Compulsory courses are available with more than five registered students and Optional courses with more than 10 registered students.

3. 留学生在同一上课时间内只允许选一门课程(免修除外),选一门以上者所选课程均不记成绩。

Students can only register for one course in one specific class time, otherwise may receive no credits for all the registered courses in the same class time, except for the course when the student are exempted from class attendance.

4. 根据培养方案要求必须学习而本院又没有开设的课程,或因特殊情况需要跨校选修的课程,由留学生本人提出书面申请,经指导教师同意、国际教育处批准,可到其他院校修读。学习结束后,留学生须将加盖选课学校留学生教务管理部门公章的成绩单和课程考试试卷(复印件、加盖公章)送交国际教育处,经审核合格后方可登录成绩和学分。

A student should present a written application if he/she intends to study a course that is not offered at GSCAAS and therefore have to study outside campus. The application must be approved by the supervisor and the International Education Office. 2. 因故不能参加考试者，应在考试之前填写《课程缓考申请表》（因病要附医院诊断书），向国际教育处提出缓考申请。

The students who intend to be absent in an examination due to illness or other special reasons, should submit a written application with medical evidence or relevant supporting materials, to International Education Office in advance.

3. 留学生课程考试不及格或缺考者，允许重修。重修课程须按照规定重新选课、上课，重修成绩及格方可取代上次成绩，备注“重修”。

The students are allowed to retake a course in which they fail to take or pass the examination. They still need to register for the course, and passes the examination to replace the previous grade. Repeating course will be marked on the transcript.

(八)研究所留学生课程管理由所在研究所参照本办法执行。

The host research institutes are responsible for the specific regulation of courses in accordance with the regulations.

(九)本规定自 2018 年 9 月 1 日开始施行，由研究生院国际教育处负责解释。

The Regulations took effect on September 1st, 2018, and the International Education Office is responsible for its interpretation.

十、留学生课程考试纪律暂行规定

PROVISIONAL REGULATIONS ON EXAMINATIONS FOR THE INTERNATIONAL STUDENTS

(一)为加强课程考试纪律，规范考务管理，培养留学生的优良学风，根据教育部的有关规定，结合本院实际情况，制订本规定。

In line with the requirements of the Ministry of Education, the regulations are formulated to strengthen guidelines for conduct of examinations and foster an academic climate of integrity and honesty.

(二)考生必须携带本人学生证按照规定的时间和考场参加考试。缺课学时超过课程总学时 1/3 以上者，取消参加该门课程考试的资格。

Students should bring their student ID cards to attend the examination as scheduled. The student who misses more than 1/3 of a course's total class hours is not eligible for the final examination.

(三)考生除自带必需文具及教师指定考试用具外，严禁携带手机、笔记本电脑或其他电子设备参加考试。

Except for required materials for the examination, all mobile phone, notebook or other electric devices should not personally be taken during the exam.

二十六、中国农业科学院学位授权点一览表/ PROGRAMS WITH MASTER AND DOCTOR'S ACADEMIC DEGREE IN THE GRADUATE SCHOOL, CAAS

学科门类 Disciplines	一级学科名称及代码 Primary Disciplines	二级学科名称及代码 Secondary Disciplines	
理学 (07) Natural Science	大气科学 (0706) Atmospheric Sciences	气象学 (070601) Meteorology	
	*生物学 (0710) Biology	*生理学 (071003) Physiology	
		*微生物学 (071005) Microbiology	
		*生物化学与分子生物学 (071010) Biochemistry and Molecular Biology	
		*生物物理学 (071011) Biophysics	
		*生物信息学 (0710Z1) <i>Bioinformatics</i>	
	*生态学 (0713) Ecology	*农业生态学 (0713Z1) <i>Agroecology</i>	
		*农业气象与气候变化 (0713Z3) <i>Agricultural Meteorology and Climate Change</i>	
	工学 (08) Engineering	*农业工程 (0828) Agricultural Engineering	*农业机械化工程 (082801) Agricultural Mechanical Engineering
*农业水土工程 (082802) Agricultural Water-soil Engineering			
*农业生物环境与能源工程 (082803) Agricultural Bio-environment and Energy Engineering			
环境科学与工程 (0830) Environmental Science and Engineering		环境科学 (083001) Environmental Science	
		环境工程 (083002) Environmental Engineering	
食品科学与工程 (0832) Food Science and Engineering		食品科学 (083201) Food Science	
		粮食、油脂及植物蛋白工程 (083202) Cereals, Oils and Vegetable Protein Engineering	
		农产品加工及贮藏工程 (083203) Processing and Storage of Agricultural Products	
		<i>农产品加工装备 (0832Z1)</i> <i>Agricultural Products Processing Equipment</i>	
农学 (09)		*作物学 (0901)	*作物栽培学与耕作学 (090101)

Agriculture	Crop Science	Crop Cultivation and Farming System
		*作物遗传育种 (090102)
		Crop Genetics and Breeding
		*作物种质资源学 (0901Z1)
		Crop Germplasm Resources
		*农产品质量与食品安全 (0901Z2)
		Agro-product Quality and Food Safety
	*药用植物资源学 (0901Z3)	
	Medicinal Plant Resources	
	*农产品加工利用 (0901Z4)	
	Agro-products Processing and Utilization	
	*园艺学 (0902) Horticulture Science	*果树学 (090201)
		Pomology
		*蔬菜学 (090202)
		Vegetable Science
		*茶学 (090203)
	Tea Science	
		*观赏园艺 (0902Z1)
		Ornamental Horticulture
	*农业资源与环境 (0903) Agricultural Resource and Environment Science	*土壤学 (090301)
Soil Science		
*植物营养学 (090302)		
Plant Nutrition		
*农业水资源与环境 (0903Z1)		
Agricultural Water Resource and its Environment		
*农业遥感 (0903Z2)		
	Agricultural Remote Sensing	
	*农业环境学 (0903Z3)	
	Agricultural Environmental Science	
*植物保护 (0904) Plant Protection	*植物病理学 (090401)	
	Plant Pathology	
	*农业昆虫与害虫防治 (090402)	
	Agricultural Entomology and Pest Control	
	*农药学 (090403)	
	Pesticide Science	
	*杂草学 (0904Z1)	
	Weed Science	
*入侵生物学 (0904Z2)		
	Invasion Biology	
	*转基因生物安全学 (0904Z3)	
	GMO Safety	
	*生物防治学 (0904Z4)	
	Biological Control	
*畜牧学 (0905) Animal Science	*动物遗传育种与繁殖 (090501)	
	Animal Genetics, Breeding and Reproduction	

		*动物营养与饲料科学 (090502) Animal Nutrition and Feed Science
		*特种经济动物饲养 (含: 蚕、蜂等) (090504) Special Animals Rearing (including Silkworms, Honeybees, etc.)
		* 畜禽环境科学与工程 (0905Z1) <i>Environmental Science & Engineering of Livestock and Poultry</i>
	*兽医学 (0906) Veterinary Medicine	*基础兽医学 (090601) Basic Veterinary Science
		*预防兽医学 (090602) Preventive Veterinary Science
		*临床兽医学 (090603) Clinical Veterinary Science
		* 中兽医学 (0906Z1) <i>Chinese Traditional Veterinary Science</i>
		* 兽药学 (0906Z2) <i>Veterinary Pharmaceutics</i>
	林学 (0907) Science of Forest	野生动植物保护与利用 (090705) Wildlife Conservation and Utilization
	水产 (0908) Fisheries	
	*草学 (0909) Grassland Science	* 草地资源利用与保护 (0909Z1) <i>Utilization and Conservation of Grassland Resources</i>
		* 饲草遗传育种与种子科学 (0909Z2) <i>Forage Genetics, Breeding and Seed Science</i>
		* 饲草生产加工及利用 (0909Z3) <i>Forage Production and Utilization</i>
管理学 (12) Management Science	管理科学与工程 (1201) Management Science and Engineering	
	*农林经济管理 (1203) Economics and Management of Agriculture and Forestry	*农业经济管理 (120301) Agricultural Economics & Management
		* 农业技术经济 (1203Z3) <i>Agro-technical Economics</i>
		* 农业信息管理 (1203Z4) <i>Agricultural Information Management</i>
		* 产业经济 (1203Z5) <i>Industrial Economics</i>
		* 农业信息分析学 (1203Z6) <i>Agricultural Information Analytics</i>
		* 信息技术与数字农业 (99J1) <i>Information Technology and Digital Agriculture</i>
	* 区域发展 (99J2) <i>Regional Development</i>	

备注:

1. 共有 51 个博士学位授权点和 61 个硕士学位授权点;
2. 带“*”的为博士学位授权点和硕士学位授权点, 未标“*”的为硕士学位授权点。

Notes:

1. In total, 51 Doctoral degree programs and 61 Master's degree programs;
2. Programs marked “*” are Doctoral and Master's degree programs while programs without “*” mark are only Master's degree programs.

二十七、手册说明/NOTICE OF THE HANDBOOK

(一) 本手册供外国留学生、导师和管理人员使用。

The handbook is for the use of international students, supervisors and administrative staffs.

(二) 本手册采用中文和英文 2 种语言。如有异议，以中本版本为准。

The handbook is available in both Chinese and English. If there is any discrepancy between the Chinese and English version, the Chinese version shall prevail.

(三) 如国家和研究生院有政策调整，国际教育处将及时发布通知并按新政策执行。

If there is any modification of the policy and regulation, the International Education Office shall notify in time and implement accordingly.

(四) 本手册由国际教育处负责解释。

The International Education Office is responsible for explanation and clarification of the Handbook.
