

Plant Physiology and Biotechnology

May 06-07, 2019 Prague | Czech Republic

Letter of Acceptance

Date: January 25, 2019

To,
Dr. Youlu Yuan
Chinese Academy of Agricultural Sciences,
China.

Your abstract entitled “**Genome Wide QTL mapping for resistance to Verticillium Wilt, and the related traits in cotton chromosome segment substitution lines**” has been selected for Oral Presentation at the **International Conference on Plant Physiology and Biotechnology** to be held during May 06-07, 2019 in Prague, Czech Republic. We welcome you to join us and share your knowledge and views in accordance with the theme of “Excellence in plant physiology through innovation, diversification and integration”

Initiated by the editors of Journal of Plant Physiology & Pathology : Current Reviews (ISSN: 2329-955X), Journal of Plant Pathology & Microbiology: Open Access (ISSN: 2157-7471), this international and interdisciplinary conference will act as a centre for Plant Physiology professionals, direct service providers, researchers, academicians, clinicians, business professionals, foundation leaders, advocates and others to discuss and exchange on recent plant related concepts.

We look forward to seeing you in Prague, Czech Republic.

Sincerely,

San Ramsay
Program Manager
